MEMORIAL STADIUM

NOVEMBER 3, 1945

February 4, 1879

October 18, 1944

There probably isn't a more appropriate time to bring up the name of Henry F. Schulte than at Homecoming. For both "Pa" Schulte and Homecoming are great traditions at Nebraska.

Henry Schulte is the nearest approach Nebraska ever had to a "grand old man." That's because he exemplified the best in Nebraska athletics. It was just about a year that Henry Schulte crossed life's final goal line and on this Homecoming day we think it's fitting to remember him because we wish he was here to see "his boys" out there on the field this afternoon.

"Indian" Schulte was a "swell guy." From 1919 to the spring of 1938 he was a fixture at Nebraska, building friendships with the boys he coached and alumni of the university throughout the state. He built lasting friendships because the boys he coached he understood. He knew when to pat them on the back and when to cuff them to bring out their best efforts.

But the main thing we like to remember about Coach Schulte was his desire for team play. Sure, many a bright individual star passed through the university during his days here, such men as Roland Locke or Bob Simpson or Jackson Scholz. Or the great linemen he developed in the days of Fred Dawson such as Wenke, Peterson, Pucelik and Berquist. But it was always Schulte's plan to build a team. His lines were among the greatest Nebraska has ever had. And his track teams were always developed on a team basis to score in a lot of events rather than swamping the field in just one or two events.

Henry Schulte has gone but his spirit will always remain at Nebraska. For his spirit was team play, and fearlessness, and playing hard every second for the love of the game. Yes, his spirit will remain.

Welcome-Jayhawkers!

Howdy, Kansas.

We don't know of anyone we would rather have around to help us celebrate our Homecoming Day festivities than our friends from down Kaw Valley and Mt. Oread way.

We have been friendly athletic rivals for some 53 years. It was your team that helped us dedicate our Memorial Stadium back in 1923. And we remember, too, how Charley Black and his mates held us to a scoreless tie that afternoon.

Our present head professor of football, George "Potsy" Clark, sat on your side of the field that day. In fact he was around a few years earlier when your team last beat us on Nebraska sod back in 1916.

Last year Coach Henry Shenk and his Jayhawker team broke the long list of Cornhusker triumphs at Lawrence. We know he will be out to shatter another Scarlet record today.

Both Kansas and Nebraska have suffered during the war years during which each of us contributed our students and athletes to the cause of peace.

We hope that today marks a new era. We hope that today we have another fine football game. We are waiting to hear that famous "Rock, chalk, Jayhawk" and win, lose or draw, we say, "Shake, K.U. we are glad to have you as our guests today."

What You'll See At Half-Time Today

Once again the famous University of Nebraska ROTC Band will perform on the gridiron today between the halves. Don Lentz will direct.

The half-time ceremony on the field will honor the 1945 Pep Queen, the University of Kansas and the four organized houses who won major honors last year for their homecoming decorations. Numbers played by the band have been chosen in keeping with the homecoming theme and you folks in the stands are urged to join in and sing the various songs as they are played by the band.

Here's what you will see on the field at half-time:

FIRST—A KU will be formed and the band will play, CRIMSON AND BLUE.

SECOND—Band will form a crown honoring the newly elected pep queen. Then, it will play the CORNHUSKER.

THIRD—The band moves off playing AULD LANG SYNE and into a formation representing the pin of Chi Omega. Then it plays I LOVE YOU TRULY.

FOURTH—The band moves out of this formation playing HAIL, HAIL THE GANG'S ALL HERE into the Greek letters of Sigma Nu and plays THE WHITE STAR OF SIGMA NU.

FIFTH—The band forms the quill of Alpha Xi Delta, playing once again AULD LANG SYNE and later the ALPHA XI DELTA SWEETHEART SONG.

SIXTH—Band forms Greek letters Phi Gamma Delta playing HE'S A JOLLY GOOD FELLOW and once again in this in this formation plays one of the favorite songs.

SEVENTH—Band reforms playing DEAR OLD NEBRASKA U and marches off the field.

THERE IS NO PLACE LIKE NEBRASKA

There is no place like Nebraska
Dear old Nebraska U,
Where the girls are the fairest
The boys are the squarest
Of any old place that you knew.
There is no place like Nebraska,
Where they're all true blue,
We'll all stick together
In all kinds of weather
For dear old Nebraska U.

—Harry Pecha

THE CORNHUSKER

Come a runnin', boys.
Don't you hear that noise
Like thunder in the sky
How it rolls along,
In the good old song,
For the sons of Ne-bras-ki.
Now it's coming near
With a rising cheer
That will sweep all foes away,
So with all our vim,
We are bound to win,
And we're going to win today—

Chorus

For Nebraska and the Scarlet,
For Nebraska and the Cream
Tho' they go through many a battle
Our colors still are seen.
So in contest and in victory
We will wave them for the team
And 'twill always stir a Cornhusker
The old Scarlet and the Cream.
